BUILDING USE POLICY FOR FUNERALS

Only Christian funeral ceremonies will be held at Bethesda. All church related functions will have priority. A coordinator will be provided for all events.

Family/friends of the deceased will notify the church office as soon as possible and give approximate number of attendees. They let the church office know if another pastor is to participate in the service. The pastor normally will meet with the family prior to the service, preferable the day before the funeral. If the family wishes the services of an organist or a soloist from the church, the pastor/coordinator/church office can provide the family with phone numbers and fees, if applicable.

Pastor will notify the Funeral Coordinator who will contact the family and make arrangements for a funeral luncheon if desired. Family will also need to contact the Church Secretary to make arrangements for a bulletin for the service. This needs to be done as soon as possible.
